## Added Dumpsters Obtained from Beautification Committee

The Beautification Committee will be offering the following services in the near future. You may call City Hall to inquire about any of the following:

- We will be obtaining a few large garbage dumpsters that will be available to place in the city to assist those who may have more than a trash can full of debris. We hope to have this service up and running by our June Newsletter. So watch for more information to come. There will be a minimal fee for dumping, but if a few neighbors get together and chip in it can be very affordable. In the meantime, please use the City Clean Up to get rid of your oversize trash.
- We will be having a tire collection. More information to come in the next newsletter
- Remember West Bountiful residents can now use the BARD for your green waste. (Green Waste ONLY!)

## WEST BOUNTIFUL CITY BEAUTIFICATION COMMITTEE

### PUBLIC HEARING NOTICE/CITY BEAUTIFICATION ORDINANCE

On Tuesday, April 21<sup>st</sup> at 7:45 or as soon thereafter as time permits, we will be holding a Public Hearing to adopt a New City Beautification Ordinance. It will be different from our current ordinance. We invite the public to review the newly proposed ordinance on our website or pick up a copy of it at city hall. We welcome your comments before we consider the adoption of this ordinance. If you cannot be present at the hearing and would like to make comments, please contact Councilmember McKean at 801-298-3179 or at [debbiemckean@comcast.net](mailto:debbiemckean@comcast.net). In addition we will be adopting a noise ordinance.

#### Spring is upon us.

The white stuff is melting and showing evidence of things that have been covered all winter. The City Beautification Committee has seen some very nice progress with people coming into compliance with our current nuisance ordinance. We would encourage ALL residence of West Bountiful to step back from their property and look at their yard from a neighbor's point of view. Maybe you have a pile of metal that can be recycled. Maybe a mailbox that needs straightened, painted or replaced. In this economic downturn, we do not wish to cause undo financial burdens on any resident but we want to take Pride in West Bountiful.

In most cases, residence are unaware of the city ordinances. We want to invite you to visit our website at [www.westbountiful.utah.gov](http://www.westbountiful.utah.gov) if you feel you may be out of compliance. For your information and convenience we are featuring two of our ordinances where we get the most complaints.
